

DuPage County Budget Survey

DuPage County is inviting residents to provide their opinions on County programs and spending with the annual Budget Survey. Input from this survey will help guide the County's funding priorities through fiscal year 2016, which begins on December 1, 2015. This year's budget is particularly crucial as the County faces a potential loss of \$4.5 million in State funding, depending on the outcome of the State's budget crisis. The survey includes questions regarding how the County could enhance the quality of life, offset a potential loss of substantial State funding, and better serve its residents overall. The survey is currently available online at www.surveymonkey.com/r/dupagebudgetsurvey, takes approximately 5-10 minutes to complete, and is open to all residents of DuPage County.
