B. Clarendon Hills Cost Increase

Clarendon Hills, as the accompanying materials indicate, has requested the FFY 2023 available balance to address increases in its Burlington Avenue resurfacing project. Bids were recently opened and came in at \$793,000. The 80% STP share would be \$634,400, \$295,600 over the \$338,800 allocated for the project. CMAP has expressed concerns about federal approvals prior to the September 30 end of the federal fiscal year. Clarendon Hills has actively been in contact with IDOT to discuss steps needed for those approvals. Sufficient funding is available in FFY 2023 to address the \$284,012 request. Committee consideration is requested.
