B. Call for Projects Funding Availability

New funding for the FFY 2027-2031 DuPage Council STP Call for Projects will be available in FFYs 2030 and 2031. To maintain fiscal constraint following the transition from FFY 2025 to FFY 2026, the Council will need to program projects in FFY 2030. The Committee is asked to consider whether the Council should allow projects, if necessary, to be programmed in FFY 2030, thereby reducing available funding for new projects. Additional options and possible outcomes will be discussed.
