

DuPage Mayors and Managers Conference

an association of municipalities representing 1,000,000 people

2026 Legislative Action Program

A coalition of cities and villages working together, the Conference fosters collaboration and advocates for excellence in municipal government.

➤ **Protect Sustainable Municipal Pensions**

The sustainability of municipal pensions, as well as the taxpayers that fund them, must be protected by preventing further Tier 2 pension benefit increases for police (Article 3), fire (Article 4), and IMRF (Article 7).

➤ **Invest in Local Communities**

To ensure local governments can deliver essential services to our communities, municipal revenues must be maintained or increased, and barriers such as unfunded mandates and preemptions of local authority must be mitigated.

➤ **Modernize Public Records Management**

As the use of technology and digital records continues to evolve, common sense changes to the Freedom of Information Act and Open Meetings Act must be made to preserve transparency, improve efficiency, and mitigate the use of public records for entertainment and profit.

➤ **Adapt to Evolving Mobility Choices**

Our transportation system must adapt to meet both current and future mobility needs, including investing in public transit service connectivity in the suburbs, regulating e-scooters and e-bikes to protect public safety, and ensuring sustainable revenues for local road infrastructure.
